#### GIRL'S DEAD BODY FOUND Winona Newton of Kansas City May Have Been Killed After Quarret.

KANSAS CITY, Nov. 4.-The dead body of Winona Charlotte Newton, aged 19 dates. years, daughter of Thomas Newton, a painter , was found today beside a bridge over a small stream near Flfty-fifth street and College avenue, on the outskirts of the city. The girl evidently had been murdered. The girl's face had been disfigured by many cuts, there were finger marks on her throat, and a stone weighing 150 pounds weighted down the body.

A hasty examination by Deputy Coroner Parker at the undertaking rooms to which the body was taken disclosed that the stomach contained a large quantity of acid, but the officers assert that death rehad time to act. Above the right eye was a cut made by a blow delivered with such force that the skull had been fractured. The police believe that after the quarrel the girl swallowed the carbolic acid in an attempt to commit suicite, but say that she was murdered before the drug took

Franchise Amendment in Maryland. BALTIMORE, Nov. 4.- The election ! Maryland next Tuesday is for a comptroller of the state treasury, a legislature and county officers, and in Baltimore for Judgeof the supreme court, sheriff, city court

The main issue of the campaign, which practically closed tonight, is the proposed constitutional amendment, the avowed purpose of which is to disfranchise the illiterate negro voters. One of the clauses of this amendment provides that to be qualified to vote a person must be "able to read any section of the constitution of this state subnitted by the officers of registration and to give a reasonable explanation of the same o the registration officer.

The republican chairman claims that the state will give a majority of 25,000 against the amendment. The democratic chairman does not make any specific claim, but said: "The amendment will surely win, and we will elect the state comptroller and a maority of the legislature."

#### Mormon Issue in Utah.

SALT LAKE CITY, Nov. 4.- The municipal campaign in Salt Lake City has been notable for an open attack on the Mormor dement dominant in both municipal and state affairs. The American party, organized previous to the last general election nominated a complete ticket, with Ears Thompson for mayor, and made opposition o the so-called Mormon hierarchy, the sole issue of its campaign. The democrats renominated Mayor Richard P. Morris, a Mormon, and the republicans nominated for Gentile. Up to tonight the Mormon leaders have made no open expression of preference as between Lynch and Morris, In public betting the odds favor Thompson or Lynch as against Morris.

Republicans and Democrats Fuse. SAN FRANCISCO, Nov. 1 .- For the first ime the republican and democratic parties have combined in the name of a municipal is Partridge, republican, at present a deputy in the office of the city attorney. is the result of his declaration not to stand again for the presidency. But by the very declaration that he will not be a canost sensational political campaign in its didate again he inevitably limits his opportunities for carrying out the great task before him. In declaring this resolution now he is, of course, only repeating the avowal which he made when returned at the last presidential election. We have not Primarily the fight is a ninst the men the least doubt that he utters it again in all sincerity and that he does derive from it a certain refreshing sense of independence of party. But there are cases in which even the most 'unalterable' of resolutions are obliged to yield to facts. The president has, owing to the exigencies of American politics, only about three working years of power before him and it is difficult to believe that in this short time he can carry to a final issue the great reforms which the Americans expect of him. He named by it last April for sheriff, coroner may reply that it is enough to have set and city commissioner were withdrawn them going. But the struggle is perhaps and a new set of candidates was placed on the largest and most complex that an the ticket at the suggestion of twenty-one American statesman has ever had to face prominent republicans, who issued an ad- and it may well be that the American dress to the people saying that mistakes people having once been launched on it had been made by men in the party, and would insist that their president should that reform should be brought about by not desert them. It is impossible to predict the course of events, nor need extern observers take the responsibility of offering advice to the Americans. A crisis, however, seems to be approaching when President Roosevelt will be needed more han ever. However, self-denying are his atentions, it may be not only undesirable, ut impossible for him to abstain from a
